

Genuine Brita filtered water

The Premier Pure Flow is an innovative solution bringing cutting edge dispense equipment together with the peace of mind of Brita Water Technology. Available as ergonomic floor standing or compact table top models with two options; chilled and room temperature or chilled and sparkling. The result is the perfect solution for the modern workplace.

Brita technology delivers genuine Brita quality filtered water. The Premier Pure Flow system also features advanced dry cooling technology, resulting in more hygienic and efficient performance.
